

195 IMPULSE

With the Scarab 195 Impulse you will notice that performance and style come standard. Through a 250 Rotax engine of supercharged muscle and Rotax's Intelligent Shift and Throttle Technology (iST), the 195 Impulse reaches new levels of excitement. If the Standard Wakeboard Tower and swim platform mats don't add enough taste, accompany your boat with the optional cockpit marine mat, touch screen command center, and Sunpad w/ versa lounge for additional customization and breathtaking flair.
